

We would like to welcome your student to Discovery Middle School's Overdrive system. This system will allow your incoming sixth grade student access to our ever expanding ebook collection.

Summer Reading List

On our website, you will find a suggested reading list for the summer. All of those titles have been purchased in our Overdrive system for easy access. You simply need to search for the title your child wishes to read.

How does my student use the OverDrive system?

The majority of incoming sixth graders have already been put into our system. They can access it either through our Discovery website, through the phone app, or follow this [link](#) to log in.

What does my student need to know to log in?

To access the OverDrive system, your student only needs to know their six digit school id number and their own last name.

Library Card # = 6 digit Id number
Password = student's last name all in lowercase
