

DMS Yearbook Club Application (2018-2019)

Part I- Student Response

The yearbook staff comes together for a common purpose: to create the yearbook students want to read! It takes a lot of planning and preparation to produce a fun yearbook that is full of creative ideas.

In order to be considered to be a member of the yearbook staff the following items must be turned in to Mrs. Ward by 4:00 PM on Friday, August 31st– no exceptions:

Please understand that the yearbook club is a COMMITMENT. You are expected to be responsible, on time, dependable, hard working, available to attend school sports and activities, and to meet before or after school to meet deadlines. It is a bonus to have a smartphone for taking pictures or a digital camera but it is not required. You will be required to have a flash drive for saving and sharing photos you take.

By signing here, parents and students, both agree to these expectations:

Part II- Writing example and photo

1. Take a photo and then write about what is in the photo. You want to be very creative. Tell a story about the photo, be detailed and descriptive. Pay attention to spelling, grammar, and punctuation as well. Use filters or other techniques to enhance your photo and display your skills. This will give me an idea about your photography skills as well as your writing and creativity skills. These are very important skills for yearbook staff to have.
